Welcome	Meeting called to order at 7:04 p.m.	
Planning Grant	The advisory board will need to submit a letter of reference for the planning grant submission.	Kate will write and submit letter using the initial brainstorming ideas of the board.
Open House Wrap-Up	<p>Congratulations everyone! Great day with sunshine and lots of people from the town in attendance. Gave out over 400 hot dogs, band was great, and lots of smiles and conversation was all around!</p> <p>Sponsor Plaques</p> <ul style="list-style-type: none"> - Need to correct the name on the plaque for Johnson County Co-Op. They are now Premiere Ag. Will work with The Nook to get corrected. - Sponsor plaques for those not in attendance need handed out. 	Kate to drop off plaques at the town for them to distribute.
Shelter House Question	<p>Judy attended the council meeting and a question about the shelter houses was presented. People are calling to reserve the shelter. Judy explained that because there is no restroom, the town didn't think we should charge. First come/first served. Donna said she would be willing to set something up. Advisory board has some concerns with people getting kicked out and not knowing that things had been reserved unless there is online system that is kept up to date so people can see that the shelter is reserved. Advisory board will leave to the town's discretion.</p>	
Suggestions for Park	<ol style="list-style-type: none"> 1. No Smoking Signs – Tobacco Free Park. This is important for the safety of the children and is a best practice of parks across the country and within Johnson County. 2. No climbing on the fence. 3. Parking lot needs lined. Signs for people not to park in others grass. 4. Sign – list of donors and name of the park. 5. Lost and found barrel at the town building. 	The advisory council will work on these items when we meet in August.
